Applicants: H. AKIMOTO et al.

Application No.: 09/955,275

Filed: September 19, 2001

For: FIELD EFFECT TRANSISTOR AND IMAGE DISPLAY  
APPARATUS USING THE SAME

Art Unit: 2811

Examiner: G. Munson

STATEMENT OF SUBSTANCE OF INTERVIEWCommissioner For Patents  
P.O. Box 1450  
Washington, D.C. 20231

October 21, 2003

Sir:

Appreciation is expressed to the Examiner Munson for his courtesy and helpfulness during a telephone interview conducted today in the above-identified matter.

During this telephone interview, Examiner Munson indicated that he had received a copy of the Second Amendment After Final Rejection filed on October 20, 2003 (together with a Petition for Extension of Time) and had determined from his review of the Amendment that this Amendment places the application in condition for allowance. Accordingly, Examiner Munson indicated that it was unnecessary to file a Notice of Appeal in this case since a Notice of Allowance would be forthcoming shortly.

If, for any reason, it is determined that the Second Amendment After Final Rejection does not, in fact, place the application in condition for allowance, or is not entered, it is respectfully requested that the present paper serve as a Notice of Appeal with regard to the finally rejected claims.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

To the extent necessary, Applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Deposit Account No. 01-2135 (Docket No. 500.40674X00), and please credit any excess fees to such Deposit Account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
